

## “Deep-Dive” Opportunities

1. How do each of you find God in Everything? Can you share that with us?
2. What are you thankful for today? Do you bring that to God?
3. How may these suggestions help you grow closer to God?
4. In discussing the things that bring me closer to God I deliberately chose positive things. It is important to also find God in the murky, messy, disappointing side of existence, because God is present “in all things.” Can you relate to this in your life?
